• Tunja, Colombia • [caminore22@gmail.com](mailto:caminore22@gmail.com)

As a current electronics engineering student, I am also learning to become a frontend developer. I am highly motivated and eager to gain experience in the field through internships or entry-level positions. I have a strong foundation in technical skills and a passion for creating user-friendly and visually appealing websites. I am excited to continue learning and growing as a developer and am hopeful to land my first job in the field.

## Education

### UNIVERSIDAD PEDAGÓGICA Y TECNOLÓGICA DE COLOMBIA
